ARTICLE 17 - ADVERTISING OF VACANCIES

17.00.00

All vacancies for positions which would employ Teachers and which arise for September 1 and February 1 are advertised within the Board before they are advertised externally. Vacancies which arise for other dates may be advertised internally subject to the approval of the Executive Officer of Human Resources.

It is recognized that between the time a full internal advertisement has taken place in April, subsequent to the declaration of surplus Teachers, and the time all surplus Teachers have been placed, it is not necessary for the Board to advertise each and every position immediately when it becomes available, but that internal transfers and placement of surplus Teachers may precede and influence the number, timing and types of vacancies that are posted internally.

Within the limitations of this Article:

17.01.00

Prior to placement of surplus Teachers, there shall be one (1) internal advertisement in April.

17.01.01

Internal advertising of positions shall be by posting in all locations where Teachers work, and electronically on Board E-Mail systems prior to external advertising.

ARTICLE 17 - ADVERTISING OF VACANCIES (Continued)

17.01.03

After all surplus Teachers have been placed, all teaching positions which will be available for September 1 and/or the beginning of the second semester of the school year shall be advertised internally.

Subject to Teachers having the required qualifications as per Article 19.01.05 to fill the vacancy, no external hiring shall take place until positions have been offered to redundant Teacher. Teachers with less than full-time assignments will be given consideration through the “top-up process” initiated in 2007.

If vacancies still exist after the above process, first consideration shall be given to Continuing Education Teachers (Part B) who wish to be considered for vacancies covered by Part A of this Agreement. Second consideration shall be given to Occasional Teachers who wish to be considered for vacancies covered by Part A of this Agreement. Continuing Education and Occasional Teachers should indicate their interest in writing to the Manager of Human Resources (Secondary), by March 1 stating their qualifications and work experience. The list of names and qualifications will be forwarded to Principals for consideration as noted above, prior to any external hiring and/or advertising.

Subject to the agreement of the Joint Staffing Advisory Committee, vacant positions that arise in January for Semester 2 and during July and August for September 1 are not required to be advertised through an internal ad. During these periods, positions will be filled in the following order: staff with first right of refusal, surplus placement, offering to Teachers with less than a full-time assignment, continuing education Teachers (Part B), occasional Teachers, external applicants.

17.02.00

In exceptional circumstances, involving the needs of individual Teachers and following consultation with the school Principal(s) and the Union President, the Executive Officer of Human Resources may place a Teacher into a vacant teaching position without advertising that position.

Student Success Teachers

As part of their Board-Wide Improvement Plan and comprehensive Student Success Plan, and within the resources provided by the Government, the Board will articulate a strategy to enhance programs and services for students over four (4) years.

The Staffing Advisory Committee (SAC) will review and jointly recommend the deployment of the enhanced Student Success Staffing allocation as projected in the Appendix “Student Success Teachers” from the PDT agreement to the Director of Education for the 2009/2010, 2010/2011, 2011/2012 and 2012/2013 school years.

SAC acknowledges their joint commitment to locally identify and promote effective practices for student success.

This strategy will lead to the deployment and identification of a minimum average of 1.0 Student Success Teacher FTE per secondary school (including Gary Allan High School).

The strategy shall determine the deployment of the balance of allocation of Student Success Teachers will be in accordance with the following criteria:

- Release time to enhance individual support for at-risk and disengaged students;
- Credit recovery and/or credit rescue;
- Increases in course offerings to improve student engagement;
- Strategic class size reductions (e.g. in Essential and Applied Courses)
- Other evidence-based strategies that improve student outcomes, as determined locally.

If SAC cannot jointly recommend a deployment in any year covered by this Letter of Agreement, both the Board and the Union will make representations to the Director of Education who will determine the deployment for that year.

Benefit Improvements

The undersigned representatives of both the Board and the Union agree to the following:

Effective September 1, 2009 the vision care coverage for Secondary Teachers shall be increased to \$375/24 months.

The parties agree the Union shall meet with the Board commencing in May, 2009 to discuss further enhancement to benefits that may be made in September 2009 for the balance of the PDT funding enhancement (total cost of all enhancements not to exceed the estimated amount of \$206,711). The balance to be expended for benefit enhancements will be that which is remaining after the increase to vision care coverage as outlined above is calculated for 2009/2010 and the estimated cost (\$91,000) of implementing the biweekly pay schedule on September 1, 2009.

The parties shall review costing data provided by the benefits carrier (Manulife). The Board and the Union will agree on the actual benefit improvements to be implemented for September 2010 based on the available PDT Benefit funding as outlined above.
