

- **Curriculum Assistance Workshops**

-
- The OSSTF TBU Executive has approved Curriculum Assistance Workshops that would allow up to 4 program leaders/coordinators (**on a first come, first served basis**) to hold an afternoon session at the District Office for up to 10 new Secondary Teachers (1-3 years experience).

-
- The 1/3 to 2/3 of a day supply costs and lunch is to be covered by the OSSTF Teacher Bargaining Unit. Coordinators/Program Leaders are responsible for providing their own materials and A/V equipment.

-
- The TBU Executive hopes that this initiative will be useful in helping you assist new Secondary Teachers.

-
- Interested Coordinators/Program Leaders should contact Lorie Wiersma, Executive Assistant, to reserve a date for their workshop.
